

School Wellness Policy Building Progress Report

School Name: Pleasant View

Wellness Contact Name/E-mail: Lori Hartnett

This tool is to document each school's progress in meeting the expectations of the district's wellness policy. Schools should document the steps that have or will be taken. The items that are completed at the district level should be pre-filled to inform all school staff of the implementation status of all goals.

Wellness Policy Language <i>(add more lines for goals as needed and change goal titles based on local policy language)</i>	Fully in Place	Partially in Place	Not in Place	List steps that have been taken to implement goal and list challenges and/or barriers of implementation.
